Are you, as parents, willing to put in some of your own learning time to better understand Acton Academy methods and processes?

To begin your journey, please acquire and read, *Courage to Grow*, by Acton Founder, Laura Sandefer. I have completed, *Courage to Grow*. Order Here:

www.actonwoodlands.org

To further your research, please choose another title below. Each of these will give you greater insight into our educational ideals & environment.

-Mindset, Carol Dweck

-A Thomas Jefferson Education, Oliver DeMille

-The One World Schoolhouse, Salman Kahn

-Unschooling Rules, Clark Aldrich

-Other research/experience you have done in preparation to audition for Acton Woodlands.

What is it about the Acton Academy Mission that is particularly compelling for you?

Please spend some time in the Acton Parent Blog.

(<http://www.actonacademyparents.com/>) What article (or ideas) was particularly helpful for you as you embark on this journey?

What do you see that may be challenging for you as a parent in order to support your child in her self-driven education?

How do you plan to support your child in navigating and experiencing setbacks and failure (at times) on their hero's journey?

Is there anything else you would like to share with us about your family, education, research, questions or concerns?
